## **PRESS RELEASE**

**Alamgir Welfare Trust Int'l second team started relief activities in Sindh by distributing relief goods worth Rs. 15 Lac. More supplies are being sent.**

Karachi: After Khyber PK, Alamgir Welfare Trust Int'l starts relief activities in severely affected areas of Sindh.

Spokesman Alamgir Trust, Mr. Shakeel Dehelvi told that a team comprising 10 members is busy in Kand Koat, Karampur and Ghous pur, Sindh providing relief goods. The team, headed by General Manager Mr. Shafi Bedani has distributed food packets, coolers, cloths, quilts and other items worth Rupees 1.5 million to the victims of the devastating flood in Sindh.

The Relief team has made Sukkar its base camp from where the relief aid is extended to Kandcoat, Ghouspur, Karampur and other adjacent villages.

In this connection, camps have also been setup in Karachi and Islamabad offices where donation in kind and cash are being collected to send to flood affected area.

Mr. Dehelvi further added that due to non functional Land routes, the teams are facing difficulties to deliver relief aid. However these hardships are faced by courage and zeal.

Board of Trustees of Alamgir Welfare Trust has appealed their donors and affluent people to provide maximum support to flood affectees in this time of hardship.

In the mean time, another team has headed to Sindh with fresh supplies including roasted chana, Nimko, bottled water, Packed food and Cooked Rotis well worth Rs.1 Million to join the existing team in flood affected areas.
